

If you use a transport, forwarding or courier service to deliver goods, it is necessary that there is someone to receive goods at your stand. Personnel at the Helsinki Exhibition & Convention Centre cannot sign for goods on your behalf.

We recommend that you order forwarding services from Niemi Expo Logistics, which is the official forwarding company at the Helsinki Exhibition & Convention Centre. The address is:

Niemi Expo Logistics
Helsinki Exhibition & Convention Centre

Event: Operative Days

'Exhibitor's name + stand number'

Messuaukio 1
00520 HELSINKI
FINLAND

Forwarding services are subject to charge and must be ordered separately. Niemi Expo Logistics forwarding- and shipping instructions are included in the manual, together with an order form.

In case there is no one available to sign for arriving goods, they will be taken to the forwarding companies (Niemi Expo Logistics) storage where they can be reclaimed against charge.

If there is a receiver person in the Helsinki Exhibition & Convention Centre, the delivery should be addressed as follows:

Helsinki Exhibition & Convention Centre

Event: Operative Days

'Exhibitor's name + stand number'
